MEMORANDUM FOR: Chief, Contract Division, OSA

SUBJECT : Request for Contract, Sanders Associates

- 1. In order to insure that our staff electronic technicians associated with Project IDEALIST have the capability to properly service and maintain the defensive systems on board the aircraft, factory training is provided as required for the specific equipments involved.
- 2. System 13A is one of the more complex pieces of equipment, thus, in order to provide adequate training, Sanders Associates, the manufactures of the equipment, was requested to submit a proposal for the desired course of instruction to be conducted at the factory.

3. It is, therefore, requested that a contract be negotiated for this training course in accordance with the terms of the attached proposal. Funds are available in the C&FE/IDEALIST/NRO Budget in the amount of \_\_\_\_\_\_\_ 25X1

4. For further information, r
